

# LIT. CIRCLES BOOK SHOWCASE

Congratulations, you have now completed your book for Lit. Circles. Instead of simply producing a book report to share with your group, you are going to create a iPad vodcast. book review.

**What does this mean?** Using Garageband and iMovie, you can create a podcast (in this case, vodcast, as there will be video). Your vodcast will go for 1 minute in total.

**What do I include?** You need to answer the following questions in your vodcast:

- 1) What was the book about?
- 2) Who were the main characters?
- 3) What were some of the main things that happened in the book?
- 4) What rating would you give your book out of 5?
- 5) What work from my Lit. Circles workbook am I most proud of?
- 6) Who would you recommend this book to?

**Is there anything else I need to include?** Yes. You will need to include images of your book (this could be front cover and illustrator mapper) and photos/video of the parts of your Lit. Circles workbook that you are most proud of. You will need to make sure you are narrating (talking) over the top throughout your vodcast.

**How do I share my vodcast?** You will need to export your final presentation (as an mp4 if possible) onto your class folder/Lit. Circles showcase on Webdav

**When does this need to be done by?** You will be asked to present your vodcast to the class on Friday, September 4th September, 2015
