

Due: Monday 19th October

Task 1: English – Referencing and Skinny Notes

When we research a topic and gather information from different places, we must remember to reference the source. Your reference list must be in alphabetical order on the last page of the writing piece.

When referencing a **website** you include the following:

- Name of the website, when you viewed the website and the link to the website

Example: *Behind the News*, viewed 8th October 2015, <http://www.abc.net.au/btn/>

When referencing a **book** you include the following:

- Author's name, year of print, title, publisher

Example: *J.K Rowling, 1998, Harry Potter and the sorcerer's stone, Scholastic*

When referencing a **newspaper article** you include the following:

- Reporter's name, article title, name of the newspaper, date, pg. number

Example: *M. Johns, Cats vs. Dogs, Herald Sun, 12th June 2015, pg. 32*

Activity:

Watch the below YouTube video about Volcanoes:

Take skinny notes about this topic. Using 2 different sources of information, find out more facts about volcanoes. Make sure you reference your work correctly.

Task 2: Maths – Percentages

You have \$1000 dollars to spend on anything you like. You must purchase a minimum of ten items. Using your iPad, create a table to include the following:

Item	Picture of item	Original Price	10% off	20% off	50%off	75%	2%

Task 3: Maths – Chance

Make a chatterbox. It must include numbers on the outside and questions on the inside.

How does this relate to our chance unit? Can you manipulate the chatterbox to better the chances of getting a number or question? Record your findings.
